From Our Pastor

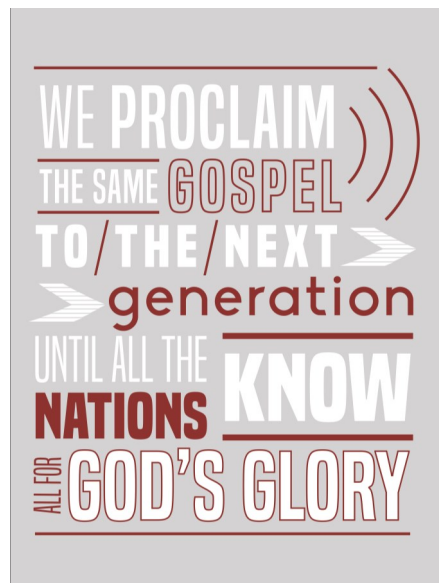

Welcome to First Baptist Church! Thank you for your faithfulness in attending worship this summer. If you are a guest today, I hope you will not mind doing a couple of things. First, please take a moment to fill out the guest registration card that is in today's bulletin. Second, take a moment to visit with one of our volunteers at the Information Center. They can help you find a Bible Study group to attend as well as provide you with other information about our church. They also have a gift for you.

We have a few special things planned in prayer and reflection of our nation's freedom. My prayer is that each element in the worship moves us to greater thanksgiving, humility, and surrender to our Heavenly Father. I am continuing our summer series on the Parables of Jesus today. I am preaching from my favorite parable and will apply it to the subject "A Parable for our Nation." The parable is that of the Wise and Foolish Builder that we find at the end of the Sermon on the Mount.

Join us tonight in Fellowship Hall for an evening of desserts and music by the Heaven Bound Quartet.

Northwestern State Basketball Coach To Speak To Daniel's Men

Our next Daniel's Men Breakfast is Tuesday, July 17, at 6:30 a.m. Tickets for the breakfast are \$5.00 per person, available today at the Information Center. The speaker is Northwestern State University Head Basketball Coach, Mike McConathy.

In Southland Conference and Louisiana basketball history, Mike McConathy has a unique and remarkable place as a player and head coach.

He's regarded as one of the greatest players in state and conference history, scoring 2,033 points (20.7 per game) from 1973-77 at Louisiana Tech, leading the Bulldogs to the 1976 conference crown as the Southland Player of the Year.

He also ranks among the greatest coaches, after 18 seasons at Northwestern State. McConathy notched his 600th career collegiate coaching victory and coached his 1,000th college contest in 2015-16. With 632 victories in 33 seasons, he is the winningest college coach in Louisiana basketball history.

McConathy's core philosophies include the belief "the MVP of our team is OUR TEAM." His use of a deep rotation, often with wave substitutions of five-for-five, is a tried-and-true method that annually has NSU playing its best basketball down the stretch. McConathy has constantly promoted educational values for, and with, his players. Almost 90 percent of the seniors in his NSU program have graduated.
