F.A.I.T.H.

A simple way to understand God's plan of salvation

Forgiveness. "In Him we have redemption through His blood and the forgiveness of sins..." Ephesians 1:7

Available. His forgiveness is available to all. John 3:16

Impossible. It is impossible for sin to enter Heaven. Man is sinful. "For all have sinned and fall short of the glory of God." Romans 3:23

Turn. Turn means to repent, to turn from sin and self. "...But unless you repent, you will all likewise perish." Luke 13:3 Where should one turn? Turn to Christ. "...Christ died for our sins according to the Scriptures, that He was buried, that He was raised on the third day..." 1 Corinthians 15:3-4 "If you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved." Romans 10:9

Heaven. Heaven is eternal life offered by Christ. "I have come that they may have life and that they may have it more abundantly." John 10:10 "And If I go and prepare a place for you, I will come again and receive you to Myself, that where I am, there you may be also." John 14:3

After accepting Christ as your Lord and Savior, FAITH takes on a new meaning Forsaking All, I Trust Him.

CHAPEL

“Worship the Lord in the beauty of holiness.” Psalm 29:2

Chapel and worship services are important to us at FBCS. Each school day begins with prayer and pledges to the American Flag, the Christian Flag and the Bible. All of our students attend Bible classes every school day. Weekly chapel services are scheduled where the FBC ministers speak. FBCS conducts special large chapel services in the FBC Sanctuary throughout the school year where our students help lead in worship, and guests are invited to attend.

ADMISSION POLICY

To be considered for admission to FBCS, every student must have submitted a completed and signed application. Immunization records, copies of Social Security cards, birth certificates, and copies of the latest report card and test scores are required. If a student were to transfer to FBCS from another school, a discipline form provided by FBCS must be completed by the principal or disciplinarian of that school and faxed from that school to FBCS at 337-237-9970.

After admission testing, the student's scores will be reviewed, and the student will be considered for admission. Our curriculum is designed for students who perform academically at or above grade level. No modifications are made for students with learning differences.

If a student were to be admitted to FBCS, official school records must be transferred school to school.

FBCS does not discriminate on the basis of race in the administration of its educational policies, admission policies, scholarship programs, and other school administered programs.

Health Records

Current immunization records of students must be on file prior to the first day of school for each school year. Immunization records must be updated as needed.

Student Fees/Tuition

The parent/guardian is responsible for payments of all student fees and tuition. The registration fee is non-refundable. A full refund of tuition will be made if a child were to withdraw before the first day of classes. Half of the tuition will be refunded if a child withdraws from school before the second semester begins. Refunds are not given if a child were to withdraw after the second semester begins. If payment of tuition were to be delinquent, the student may not be admitted to classes until payment is received.

Tuition Payment Options

Option 1: If payment were to be made in full prior to the beginning of school in August, a \$100 discount will be given per student.

Option 2: Fifty percent of a family's tuition is due before the first day of classes, and the remaining fifty percent is due the following January.

Option 3: Tuition may be paid monthly by bank draft only. Payments must be drafted each month. Draft documents and draft agreements must be signed in the accountant's office before students begin classes.

Withdrawal and Transfer

A parent or guardian must make a written request within 24 hours for withdrawal of a student. All school property must be returned. Final completion of all obligations must be cleared through the office.

Student Record Duplication

Duplication of student records for the purpose of enrolling in another school is free of charge for the first copy. There will be a five dollar charge for each subsequent copy. Official records must be transferred school to school.

Age Requirement

The minimum age for preK3 shall be age three by September 30 of the year in which the student enters pre-kindergarten.

ATTENDANCE POLICY

Regular attendance is necessary for each student to achieve his/her best in school; however, if a student were to be absent from classes, he/she must return with a dated statement, signed by a parent/guardian, explaining his/her absence. When possible, a doctor's excuse should be given explaining the reason for absence. If a student were to be absent, the school may be contacted by 9 a.m. the day of the absence, so that the student's class work and homework may be collected for pick up by a parent. A student must be free of fever for 24 hours before returning to school.

In order to be eligible to receive grades, high school students shall be in attendance a minimum of 26,400 minutes (the equivalent of 80 days of 330 minutes each) per course each semester or 52,800 minutes (the equivalent of 160 days of 330 minutes each) per course during a school year. Elementary students shall be in attendance a minimum of 52,800 minutes (the equivalent of 160 days of 330 minutes each) a school year. Students in high school who do not meet the attendance requirements in each class, may lose Carnegie units (credits). Elementary students who do not meet attendance requirements may not be promoted to the next grade.

In order for a student to be counted present for half day attendance, he/she must be present 25%-50% of the school day. In order for a student to be counted present for the entire day, he/she must be present 51% or more of the school day.

GRADING POLICY

PreK3, preK4 (All subjects)

92-100 E (Excellent)

83-91 G (Good)

75-82 S (Satisfactory)

67-74 N (Needs improvement)

0-66 U (Unsatisfactory performance)

K5 through high school (All subjects)

92-100 A

83-91 B

75-82 C

No mid-term or final examinations will be given in Grades 1-5. Final examinations will be given in Grades 6-8. Both mid-term and final examinations will be given in high school (semester finals). No conduct grades will be given in Grades 6-12.

In K5 through 8th grades, final course grades will be determined by averaging the four nine week grades. For high school, the four quarter grades will be 80% and the mid-term and final examinations will be 20% of the overall course average.

GRADE REPORTING

In an effort to keep parents well informed, grades will be sent home by the teacher. Grades preK3 and preK4 will send home daily work, along with the daily conduct sheet, in the students' folders. Grades K5 through 3 will send home weekly grades tests/quizzes and a conduct report in a test folder. These are to be signed and returned to the teacher. Grades 4 through 8 will send home a grade reporting form designed by each teacher, including conduct grades for Grades 4 and 5. Mid-quarter averages will be sent home for the parents of high school students. Grades 6 through 12 will receive no conduct grades. Individual papers of students in Grades 4 through 12 may be viewed in the office at the parent's request.

Note: Because of the significant curriculum adjustment in Grade 4, graded tests will be sent home only during the first nine weeks. This will equip parents to help their children adjust to the testing methods and the curriculum load in Grade 4.

RETENTION

PreK3 and preK4

After reviewing the grades, retention may be suggested if a student in preK3 or preK4 has had difficulty academically or in maturing. The teacher and parent must remain in communication during the school year.

Kindergarten

A student will be retained if he/she were to fail either reading or numbers or if he/she were to fail both reading and numbers.

Grades 1-8

- 1. A student will be retained if he/she were to fail two major subjects as listed.**
- 2. A student will be retained if he/she were to fail one major and two minor subjects.**
- 3. All retentions must be reviewed by the principal and teachers involved.**
- 4. If a student were to fail reading or mathematics, summer tutoring will be required as approved by the principal. If grade level were not to be achieved during the summer tutoring, as determined by a proficiency exam, in-house tutoring during the school year will be required until the student reaches grade level work.**

RETENTION (CONTINUED)

Major Subjects (Grades 1-8)

Grades 1 through 3: reading, language, and mathematics

Grades 4 through 8: reading, language, mathematics, social studies, and science

High School (Grades 9-12)

If a high school student were to fail a subject, he/she would not be awarded a Carnegie unit (credit) for that particular subject. A high school student will be retained if he/she were to fail two core subjects during the school year. Meeting course requirements through an approved credit recovery summer program or correspondence coursework may be allowed in order for the student to receive Carnegie units (credits); therefore, promotion may be allowed.

Report Cards

Report cards will be issued at the end of each nine week period. All students have one week from the date of issue to return report cards. Report cards must be signed by a parent or guardian. Any student who fails to bring back his/her report card will be charged a \$5.00 replacement fee. For transfer students, grades from the previous school will be averaged with grades from the current grading period at FBCS.

Academic Honors

After each grading period, the students in Grades 1 through 12 who achieved Principal's List and Honor Roll will be announced. There is no Principal's List or Honor Roll for Grades preK or Kindergarten.

Requirements for Principal's List (Grades 1 through 12)

A student must have no grade below an A (Grades 92 or higher) and must have no detention or suspension for the particular quarter. Handwriting is not considered a subject for Principal's List.

Requirements for Honor Roll (Grades 1 through 12)

A student must have no grades below a B (83) and must have no detention or suspension for the particular quarter. Handwriting is not considered a subject for Honor Roll.

Parent Conferences

Parent/Teacher Conferences will be scheduled on a day after the first quarter. Students will not report to school on that day. For any other parent/teacher conference, a parent may make an appointment with the teacher. Do not text a teacher during the school hours. The teachers are busy instructing and supervising students.

Athletic Eligibility

In order for a student in Grades 4-12 to be academically eligible to participate in sports at FBCS, he/she must maintain a GPA of 2.0 in subjects in which students are regularly tested. Those subjects in Grades 4-8 include math, language, reading, spelling, history, science, Bible, and Spanish. In high school (Grades 9-12), this includes all subjects. Grades will be reviewed at the end of each nine week grading period.

DISCIPLINE POLICY

There are five levels of school-wide discipline applied at FBCS: infractions, demerits, detentions, suspensions, and expulsion. A student usually begins at the infraction level; although, there are certain behaviors that warrant action at upper levels of discipline and at the principal's discretion.

3 infractions = 1 demerit

4 demerits = 1st detention

8 demerits = 2nd detention

12 demerits = 3rd detention

16 demerits = one-day in-house suspension

20 demerits = two-day in-house suspension

24 demerits = three-day in-house suspension

28 demerits = possible expulsion

Once a suspension is assigned, after 4 additional demerits, the next level suspension will be assigned.

Detention will be served after school and be supervised by a teacher at the cost of ten dollars (\$10) per student per detention, due the day before the detention. Checks must be made out to FBCS. Cash or checks must be turned in to the FBCS office.

DISCIPLINE POLICY (CONTINUED)

In-house suspensions will be supervised by a paid adult at the expense of the parent/guardian at the rate of \$55 per day, due the day before the suspension.

Students receiving a detention or suspension will not receive Principal's List or Honor Roll for the quarter in which the detention or suspension is given, thus affecting the end of the year Principal's List and Honor Roll.

If a student were to be expelled, he/she may not apply for re-enrollment to FBCS for at least one full year from the date of expulsion.

FBCS reserves the right to search any and all students' belongings including, but not limited to, backpacks, lockers, and clothing.
